

ADVISE RETIREMENT OF POLICE CAPTAINS

**Trial Board's Report Urges
Pensions for Daley and
Byrnes—Former to Fight.**

Recommending that Capt. John C. Daley, of the Ninth precinct, and Capt. Michael Byrnes, of the Sixth precinct, be retired on pensions of \$55 a month each on the ground that they are no longer physically capable for active duty, the retiring board of the Police Department today submitted its findings to the Commissioners.

In the case of Captain Daley, who opposes retirement, application will be made for a hearing before the Commissioners. Charles W. Darr, attorney for Captain Daley, so notified Commissioner Siddons today. Commissioner Siddons asked that the application be made in writing. Pending its receipt and consideration, he said, no action will be taken by the District heads.

The Commissioners probably will approve the findings of the retiring board in the case of Captain Byrnes, who offered no opposition to his retirement. The board consists of Inspector H. L. Gessford, Capt. G. H. Williams, and Capt. Charles T. Peck.

Captain Daley was appointed a private on the police force on July 1, 1881, and rose to the rank of captain on his merits. While sergeant, his aggressiveness won for him the title of "the fighting sergeant."

Byrnes was appointed a private on October 1, 1871. He also, Commissioner Siddons said today, has made a splendid record in the Police Department.

Captain Byrnes was summoned before the board on April 18. A continuance was requested in the case of Captain Daley, who appeared on April 23. Prior to the hearing, Attorney Darr and John L. Feyer filed with the Commissioners a motion that the trial board be dismissed on the ground that it was not qualified to consider the case of Captain Daley, and that the event of the motion being refused that Captain Daley be given an opportunity to examine the members of the board before the Commissioners, in order to determine their qualifications. Both motions were overruled by the Commissioners.

FIRST SHOW ARRIVAL HERE

GOLDEN ROD,

One of the String of Harness Horses Owned by Dr. Churchman, of Charles Town, W. Va., and First of the Horses to Arrive for the Horse Show, Which Opens Saturday.

SUFFRAGISTS HERE WILL HELP SISTERS

**Leaders in Congressional Union
Going to Other States to
Speak on May 2.**

Though practically every other city in the country will have suffragist parades, suffragist speeches, and suffragist activities of various descriptions on May 2, Washington, the headquarters of the Congressional Union and the home of some of the most active workers, will be practically deserted by the vote-seekers, and there will be no parades and no speeches here on that day.

The Washington "suffs" haven't lost enthusiasm. They say, however, that May 2 is not Washington's day of glory. Washington's big day will come a week later, when representatives of all the organizations which hold meetings on May 2 will come here to join in the parade in Pennsylvania avenue.

The leaders of the Washington organization will scatter to the nearby cities on May 2 and join in arousing enthusiasm in the cause.

Miss Doris Stevens, executive secretary of the Congressional Union, will go to Parkersburg, W. Va., Miss Emily Perry, to Philadelphia. Miss Lucy Burns to New York, and Mrs. Jessie Hards to St. Louis. Miss Mary E. Hays, who is in charge of the "Flying Squadron," which the suffrage organizations of Alexandria and Fairfax counties have organized for that day.

This squadron will consist of a number of automobiles, elaborately decorated with the colors of the Congressional Union, in which will be prominent suffragists. Every village in both counties will be visited and speeches will be made and suffrage literature distributed. The tour will wind up late in the afternoon at East Falls Church, where a large open air meeting will be held and resolutions will be adopted, calling upon Congress to pass the Brimstone resolution.

Home Club Gathers.

The third "get-acquainted" night, held at the Home Club of the Interior department last night, was voted a success.

Miss Ellen McFarland, of the office of the Secretary of the Interior, was the official hostess, and was assisted by Mr. and Mrs. W. S. Ayres, Miss Margaret Cannon, Miss Mary E. Hays, B. H. Bondell, Miss Marion Smith, Miss Annie Smith, W. V. Murphy, Miss M. P. Tyson, and Miss Irene Wright.

**The Real Secret of
Rejuvenating the Face**

She holds the true secret of facial rejuvenation who has learned how to remove the dead skin particles as fast as they appear. It is a secret anyone may possess. The aged, faded or discolored surface skin may be gradually absorbed in an entirely safe and rational manner, by the nightly application of ordinary mercurized wax. Within a week or two the underlying skin, youthful and beautiful to behold, has taken the place of the discarded cuticle. So little of the old skin is absorbed each day there's no inconvenience at all, and no one suspects you are putting anything on your face. The mercurized wax, procurable at any drugstore (an ounce is sufficient), is applied like cold cream. In the morning it is erased with soap and water. It's the best thing known for freckles, blackheads, pimples, moth patches, liver spots and fine surface wrinkles. For the deeper wrinkles, an excellent recipe is: Powdered salicylic, 1 oz., dissolved in 1 pt. witch hazel. Bathing the face in the solution produces quick and wonderful results.—Adv.

PROGRAM OF CAPITAL HORSE SHOW ISSUED

**Will Open at 2 o'clock Saturday
Afternoon, With an
Event for Stallions.**

Time tables for the National Capital Horse Show, which will open Saturday afternoon and conclude the following Thursday, were issued this morning. The program embraces eighty-two classes, with 225 entries.

The show will open at 2 o'clock Saturday afternoon, with an event for thoroughbred stallions. Of the seventeen classes to be shown during the day, however, chief interest will center in four—class 18, for big horses; class 84, the Corinthian; class 45, military hunters, and class 74, the MacMurray event for hunters.

The latter class, the only one upon the first day's card which carries a prize of \$100, has attracted thirty-five entries, and will bring into the ring the best cross-country horses in the East. The Corinthian is likewise a hunters' class, and always proves spectacular with the riders in the gay-colored coats.

Military classes have in the past filled well, the contestants being army officers stationed at Fort Myer and in detail in this city. Since the National Capital show began to give place to its program to special events for the military the army officers have devoted particular attention to grooming their mounts for exhibition.

While there are several harness events upon the card, the big class is the best filled, having fourteen entries, and will bring into competition many blue ribbon winners, several of which hold honors won at Madison Square and other of the larger Northern and Eastern shows.

The best filled class on the whole program is the handicap jump, scheduled for Tuesday afternoon, in which fifty-four horses will be sent over the hurdles.

Civic Leaders to London.

Representatives of thirty British cities will meet the commission of municipal executives and civic leaders, which the Southern Commercial Congress will send to the convocation of municipal executives in London on July 20.

The commission, after a study of civic problems in Europe, will report its findings at the Southern Commercial Congress, in Muskogee, Okla.,
